DECLASSIFIED

(20) R

MEMORANDUM

November 10, 1980

TO: S/S - Mr. Tarnoff

FROM: EB - Ernest Johnston

SUBJECT: List of Issues for Transition Briefing Papers

Attached is a list of foreign policy subjects in the EB area which we believe will require decisions during the first 90 days of the incoming Administration. On the instructions of Mr. Bellamy in your office we have limited the list to about a page and focused on the most important issues. A second eschelon of less important but just as timely subjects would easily have filled another page.

Attachment: As stated.
